Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Genesee Water Security and Resiliency North Water Storage Tank community project in fiscal year 2023. The entity to receive funding for this project is the County of Genesee located at 7 Main Street, Batavia, NY 14020.

The funding would be used for the construction of a new 1-million-gallon water storage tank along North Road in the Town of LeRoy.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Chris Jacobs
